Wonderful staff and modern facility. They came highly recommended! The therapists are highly qualified and very knowledgeable about pain relief and muscle strengthening. I am happy to be a patient here and I feel as though I'm in great hands and receiving top notch physical therapy.

**Founders/Owners:**

**Manuel Bouffard, OTR/L, CHT** received his B.Sc. degree in Occupational Therapy from the University of Montréal in Canada in 1993. He is a Certified Hand Therapist (CHT), currently licensed to practice Occupational Therapy in California. His career has been dedicated to working with patients presenting both orthopedic and neurological upper extremity conditions: from digital re-plantation to flaccid hemiplegia. He is a member of the American Occupational Therapy Association (AOTA), The American Society of Hand Therapists (ASHT), and Hand Society of Greater Los Angeles (HTSGLA). He is President/Owner of **Medcessity, Inc.**

**Jonathan Chinn, PT, DPT** received his Master's degree in Physical Therapy from Western University of Health Sciences in Pomona, California in 1998. He is currently licensed to practice Physical Therapy in California. His professional experience in orthopedics and manual/manipulative medicine includes specialized Osteopathic techniques. Jonathan's evidence-based practice of physiotherapy makes him the authority in the treatment of spine conditions, TMJ dysfunctions, and sports-related injuries. He has lectured for California State University of Long Beach's Physical Therapy Program. He is a member of the American Physical Therapy Association (APTA). He is Vice-President/Owner of **Medcessity, Inc.**
